

# CALL FOR PAPERS

## EUROPEAN REAL ESTATE SOCIETY

**23<sup>rd</sup> Annual Conference, June 8-11, 2016  
Regensburg, Germany**

The European Real Estate Society welcomes participants to the 23<sup>rd</sup> Annual Conference to be held in Regensburg, Germany.

We are now accepting submissions via [www.2016.eres.org](http://www.2016.eres.org)  
We encourage both academic and professional researchers to submit a paper and join us in Regensburg for ERES 2016.

Submission of papers in all areas of real estate is encouraged.

### New: Refereed section with discussants

The ERES is working hard to increase the quality of the conference. Therefore, this year, for the first time, ERES is offering a refereed section with discussants. Only truly excellent papers will be accepted by the conference committee. This section provides an ideal venue for researchers wishing to receive feedback from a diverse group of their peers. Applicants should be willing to discuss their paper. Rejected papers will automatically be considered for the general section.

**Deadline for submissions: January 31, 2016**

We will notify delegates both for the general and the refereed section by March 15, 2016.

## Conference Committee

**Shaun Bond**  
University of Cincinnati

**David Downs**  
Virginia Commonwealth University

**Piet Eichholtz**  
Maastricht University

University of Geneva  
Head of Committee

**Gabriel Lee**  
University of Regensburg

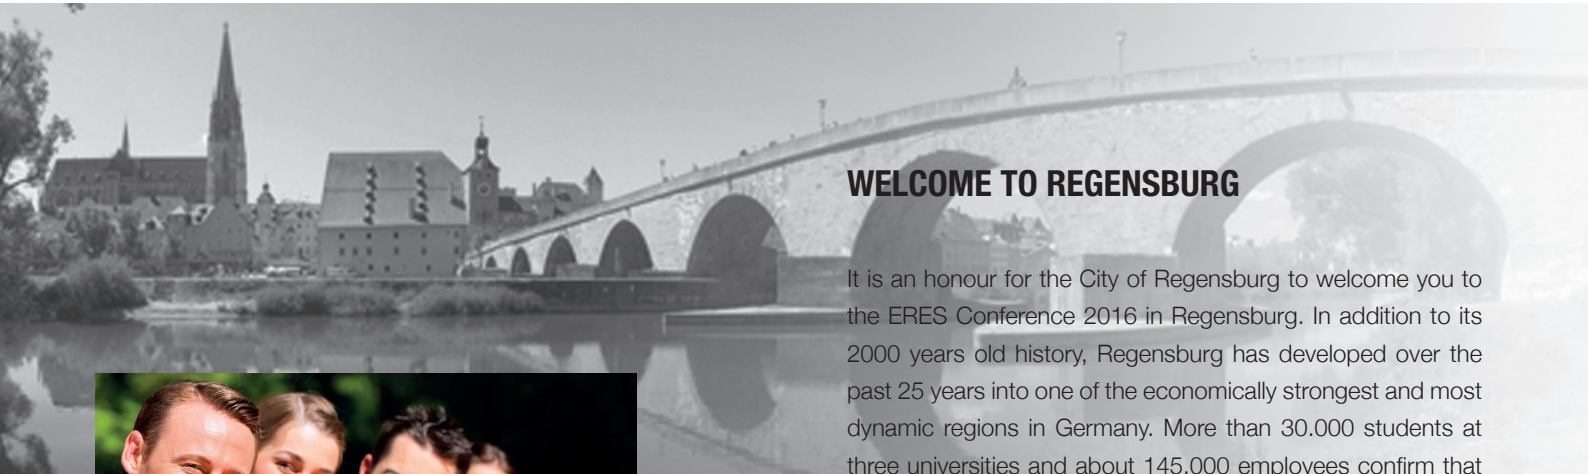

**Colin Lizieri**  
University of Cambridge

**Joseph Ooi**  
National University of Singapore

**Steffen Sebastian**  
University of Regensburg  
Secretary of the Committee

## WELCOME TO REGENSBURG

It is an honour for the City of Regensburg to welcome you to the ERES Conference 2016 in Regensburg. In addition to its 2000 years old history, Regensburg has developed over the past 25 years into one of the economically strongest and most dynamic regions in Germany. More than 30.000 students at three universities and about 145.000 employees confirm that Regensburg is among the most successful and attractive cities in Germany.

IRE|BS, as the leading real estate business school in Germany, emphasises this exciting combination of an UNESCO Heritage City and a modern high-tech location.

Enjoy your stay in Regensburg!

Joachim Wolbergs  
Mayor of Regensburg

## REGENSBURG UNESCO-WORLD HERITAGE

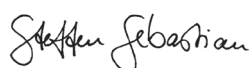

Because of the city's unique status as "the only authentically preserved large medieval city in Germany", the Old Town of Regensburg with its Stadtamhof was designated as a UNESCO World Heritage Site in 2006. And deservedly so! The Historic City is unique, featuring a remarkably large number of historical buildings within a relatively small area. The architecture spans centuries, in fact millennia.

Regensburg is situated on the northernmost part of the Danube River in Bavaria, in southeast Germany. The closest international hub is Munich International Airport (110 km), which can easily be reached by car or train. Neuschwanstein Castle, the Hall of Liberation in Kelheim, Weltenburg Monastery and many other sights can be visited from Regensburg. More information: [www.regensburg.de](http://www.regensburg.de)

**We look forward  
to welcoming you in Regensburg!**

Prof. Dr.
