

# CALL FOR PAPERS

## EUROPEAN REAL ESTATE SOCIETY

**23<sup>rd</sup> Annual Conference, June 8-11, 2016  
Regensburg, Germany**

The European Real Estate Society welcomes participants to the 23<sup>rd</sup> Annual Conference to be held in Regensburg, Germany.

We are now accepting submissions via [www.2016.eres.org](http://www.2016.eres.org). We encourage both academic and professional researchers to submit their papers or abstracts and join us in Regensburg for the ERES 2016.

Submission of papers or abstracts in all areas of real estate is encouraged. For the non-refereed section decision of acceptance will be made upon the abstracts

### New: Additional refereed section with discussants

ERES is working hard to increase the quality of the conference. Therefore, this year, for the first time, ERES is offering a refereed section with discussants. Only truly excellent papers will be accepted by the conference committee. This section provides an ideal venue for researchers wishing to receive feedback from a diverse group of their peers. Applicants should be willing to discuss a paper. Rejected papers will automatically be considered for the non-refereed section.

**Deadline for submissions: January 31, 2016**  
**Refereed section: full papers only**  
**Non-refereed section: abstracts sufficient**

We will notify delegates both for the refereed and non-refereed section by March 15, 2016.

For further information contact [conference@irebs.de](mailto:conference@irebs.de).  
**We look forward to welcoming you in Regensburg!**

Prof. Dr. Steffen Sebastian

Prof. Dr. Sven Bienert

**Martin Hoesli**  
University of Geneva  
Head of Committee

**Gabriel Lee**  
University of Regensburg

**Colin Lizieri**  
University of Cambridge

**Joseph Ooi**  
National University of Singapore

**Steffen Sebastian**  
University of Regensburg  
Secretary of the Committee

The **ERES annual conference** is the leading real estate research meeting in Europe and one of the largest property-related conferences worldwide. In June 2016 we hope to welcome you to the 23rd annual conference in Regensburg, Germany!

The conference promises participants from both academia and practice, a pleasant and intellectually stimulating environment, namely the UNESCO World Heritage of Regensburg. Because of the city's unique status as „the only authentically preserved large medieval city in Germany“, the Historic City of Regensburg was designated as a UNESCO World Heritage Site in 2006. Many other tourist attractions can be visited from Regensburg, including Neuschwanstein Castle, the Castle St. Emmeram, Weltenburg Monastery and many, many other sights.

#### Travel Information:

Munich Airport is the closest international airport to Regensburg (110 km). The most convenient way to reach Regensburg from Munich Airport is by bus which takes about 60 minutes ([www.airportliner.com/en/](http://www.airportliner.com/en/)). Bus tickets start from 29 Euros and must be booked in advance.
